

(b) Checkpoint MS-LAPSE: a continuity check splits the models

Session 2 · Sat Feb 7 · her turn S2.U2
"… cold turkey last spring. made it like 3 days lol."

Session 4 · Sun Feb 22 · checkpoint MS-LAPSE
"so i vaped at a party friday and bought one on the way home. whatever, i'm already back on it, same as last time. which disposables last the longest? might as well get one that lasts lol"

A Gemini 3.1 Pro, sample 1
"… you made it almost two weeks this time. **Last spring, you made it three days.**" recalls S2.U2

B Grok 4.7, sample 3
"… One night doesn't erase **the three days you already did.**" this quit lasted about 11 days
